

DRESS POLICY

Oatley RSL and Community Club recognise dress styles in our community vary widely and that dress fashion is constantly changing. We wish to cater for a variety of dress styles for members and their guests and aim to do so in a common sense and practical way.

Patrons are expected to maintain neat, modest and tidy appearance when utilising club facilities, and in a style that will enhance a comfortable and relaxed presence. Dress standards should respect and reflect social norms, not be extreme in nature and not offend other club patrons.

Dress in Lucky Star Brasserie during the evening meal period will need to meet a standard usually observed in our society by dining room/restaurant patrons.

Beyond 8pm, work clothing will not be permitted, anywhere in the club. Guests are expected to respect the aims of the Clubs Dress code, to cooperate with its objective and remain within the boundaries of responsible conduct at all times.
