# STATUS CREDITS

## EARNING

Earn status credits every time you use your membership card when spending in the venue—whether it's on drinks, food at The Oat Mill Brasserie, raffle tickets, or other eligible activities. Your status credits help determine your Elevate Rewards tier over a three-month period. You can also choose to buy into a tier—just ask a duty manager for more details. Status credits are used only for tier progression and don't hold any monetary value.

## CHECKING

You can check how many status credits you have earned by asking a duty manager.

## MOVING UP A TIER

Up moves occur on the first business day of each month. We calculate your tier by looking at how many status credits you have earned in the last three months.

## MOVING DOWN A TIER

Moving down occurs quarterly on the first business day in February, May, August and November.

## OPTING OUT

If you choose not to be a part of the loyalty program, please see a duty manager.
